Jean:

EE/G has no info on this man. Appears to be
IDW Von Rostel, Franz (Col) (C), the
former Argentine Intell man in SA in 1953.

The 201 folder shows just one para which includes
the same info you gave me by phone

Was wondering if you could check the variants
on the name or come up with something dated
prior to '44 from any of your cards tying this
man with subj of 201-58600.

Pls. return

Libby

Kenard: There is nothing in our cards
or documents, but the attached RI
check shows that H. Col. Franz
Rostel, born 4 May 1902 at Boedelitz
(Hence id/w Subj. this doc) was with
advisory group in Syria in 1945
German Intelligence in Syria in 1950.
Subj. was described as an intelligence
man who had been technical advisor to the
Syrian Army. I believe it's safe to
assume they are the same. Terrence
